# Magic of Accountability

Rodney M. Loesch CFP® works with organizations that want their leaders to develop and mature in order to increase performance and profitability.

## *What people are saying*

It's Magic!

—Dave Blodgett  
Normandy School District

A flame to follow in the dark tunnels of financial awareness!

—Teresita Cochran  
Youth Build St. Louis

Many people said that this convention was one of the best. Your presentation was a big part of creating that impression.

—Steve Rudloff  
Missouri Limestone Producers Association

It was entertaining and educational!

—Jack Byrne  
Sandvik Mining & Construction

You kept the pace moving, the topics interesting, and everyone on track. All of the attendees commented.... Your icebreakers, magic and action lists were big hits.

—Denise Smith  
Truman State University

His magical talents combined with his excellent speaking skills entertained and educated our members.

—James W. Cherrington  
Missouri School Boards Association

## Programs

### Risk Is Not a Four Letter Word!

*Developing a risk-taking culture for extraordinary results*

- Recognize the power of risk-taking
- Utilize the impact of individual intuition
- Capture the potential of group insight
- Develop a commitment to accountability

### Asking the Leadership Questions

*Learning to ask the questions no one else will*

- Establish a safe environment
- Create partnerships based on trust
- Understand the impact of management styles
- Take advantage of individuals' values

### Don't Be the Missing Part of the Puzzle

*Five ways leaders develop an innovative and vibrant organization*

- Foster creativity in the organization
- Awaken intuition through brainstorming
- Initiate the processes of "great thinkers"
- Learn why failure is important
- Change organizational DNA

*Ask Rodney about his imaginative programs for partners.*

Rodney speaks from experience. As entrepreneur, national sales manager and community leader, he brings his expertise from both the public and private sectors to every presentation. Capturing the audience's attention as he entertains and educates, sharing everyday stories, magic illusions and anecdotes; Rodney helps leaders understand concepts that enhance performance and profitability in their organizations.
